3) Please share any other thoughts you may have about our SDP:

- I'm satisfied with everything
- It's good to know that there's a plan in place to help each student to succeed. I wish I could join the parent meetings about this through Zoom meetings or meetings that are not during school hours. But I understand that everyone's schedule is different.
- I appreciate the opportunities the school gives the parents and caregivers to learn about the SDP and the opportunities for the students and betterment of the school as a whole that the SDP accomplishes.

6) Please share any other thoughts you may have about our school budget and fees.

- I have no other thoughts
- Is there ways to fundraise for the school? Perhaps hold art shows for the parents at the end of the year to showcase what the students learned that year, both cultural and westernized. Sell tickets and maybe First Nation tacos and a drink? Just a thought. Back home in Regina Saskatchewan, that's what a few youth organizations did to help fundraise.
- As a parent with 5 school age children the fees can be a bit much but understand the benefits they provide my children with.
